## **800 to attend ICT conference**

OVER 800 participants have confirmed they will attend the second e-learning Africa conference on education in Nairobi later this month. The Pan Africa Conference, sponsored by the Government will be at Safari Park Hotel from May 28 to 30. Education PS, Prof Karega Mutahi, said the conference would provide an opportunity for stakeholders to reflect on the efforts made by African countries on ICT infrastructures in improving access to education.
