# **E-learning conference planned for Nairobi**

An international conference on electronic learning at universities will be held in Nairobi in the next two weeks. The conference, dubbed 2nd International Conference on ICT for Development, Education and Training E-learning Africa, will bring together representatives of over 80 countries. The theme of the conference, the first one of its kind in the country, is "Building infrastructure and capacities to reach out to the whole of Africa." The conference will be held at the Safari Park Hotel from May 28 to 30.
