

Higher Education

StudyWorld 2008

3rd International Fair for Higher and Continuing Education

April 25 – 26, 2008, Berlin, Germany
www.studyworld2008.com

StudyWorld is Germany's only fair to focus on higher and continuing education at both a national and international level. Every year, more than 9500 visitors take advantage of the opportunity to gain an overview of the wide range of options in the higher and continuing education markets, both nationally and internationally, and to seek advice for their individual study and career plans at the booths of over 150 exhibitors from more than 20 countries. Exhibitors include state-run and private higher education institutions, scholarship and service providers, as well as education ministries from all over the world. StudyWorld is accompanied by a diverse and informative seminar programme with more than 60 presentations on higher and continuing education, internships and career planning.

EAIE Exhibition

20th EAIE (European Association for International Education)

Annual Conference,
September 10 – 13, 2008,
Antwerp, Belgium
www.eaie.org

The European Association for International Education's annual conference and exhibition is a key event for all higher education professionals working in the field of internationalisation. At the EAIE Exhibition, which is organised by ICWE on behalf of EAIE since 1991, education-related organisations present their products, services and activities. This is a fabulous networking opportunity for conference participants.

About us

ICWE GmbH specialises in organising and staging events for all sectors of education, training and ICT:

- Primary and Secondary Education
- Higher and Further Education
- Vocational Training
- Language Training and Study Abroad Programmes
- International Student Recruitment
- Lifelong Learning
- Technology-supported Learning and Training
- E-Learning

In each of these areas, ICWE's international conferences and exhibitions are the **leaders in their field**. Our events cater to organisations, institutions and individuals interested in acquiring or disseminating information, developing business and fostering international partnerships.

Our clients come from all over the world and include educational institutions and organisations, professional associations, government agencies, large and medium-sized enterprises, print and multimedia publishers, as well as manufacturers and distributors of educational equipment, technology software and solutions.

Over the last 19 years, ICWE's multilingual team has organised conferences, seminars, workshops and exhibitions in **30 countries around the world**. In addition to its own conferences and events, ICWE offers meeting, convention and exhibition management services to other organisations in a wide range of sectors including business, education, science and research, government and culture. Together with its partner companies, ICWE also **offers a full package of communication services** to organisations in these sectors. ICWE has extensive international contacts and resources covering all sectors of education and training.

ICWE GmbH is based in Berlin, Germany, and has representative offices in Argentina, Belgium, China, the Czech Republic, France, Kenya, Poland, Portugal, Russia and Spain.

If you would like to know more about our events and services, please do not hesitate to contact us. We would be pleased to provide you with further information.

E-Learning

ONLINE
EDUCA
BERLIN

ONLINE EDUCA BERLIN

14th International Conference on
Technology Supported Learning & Training
December 3 – 5, 2008,
Berlin, Germany
www.online-educa.com

ONLINE EDUCA BERLIN is the largest global e-learning conference for the corporate, education and public service sectors. It brings together more than 2000 high-level decision makers from over 90 countries from all sectors of the education and training industry. Attendees forge essential cross-industry contacts and partnerships and enhance their knowledge and expertise. ONLINE EDUCA BERLIN invests in bringing the leading minds and practitioners of technology-supported learning & training to present in Berlin, so attendees get the most authoritative, up-to-date and useful information for their business. Five hundred speakers from more than 45 countries address all forms of technology-enhanced learning. The conference is accompanied by an exhibition, where leading international e-learning manufacturers, suppliers and service providers present the latest developments, products and services.

eLearning
Africa

eLearning Africa

3rd International Conference on ICT for
Development, Education and Training
May 28 – 30, 2008, Accra, Ghana
www.elearning-africa.com

eLearning Africa is an annual conference which focuses on ICT for development, education and training in Africa. It is the most relevant and most comprehensive international pan-African capacity-building event for all stakeholders engaged in ICT-enhanced education and training on the Continent. eLearning Africa is organised in partnership with African governments, with a different country hosting the event each year. The 2nd conference took place in Nairobi in May 2007. With more than 1500 participants from 88 countries, eLearning Africa not only grew considerably in numbers, but was a truly African event, with more than 70 percent of the participants coming from the Continent.

Language & Culture

LANGUAGES & BUSINESS

7th Conference on Languages &
International Business Communication
April 21 – 23, 2008,
Düsseldorf, Germany
www.sprachen-beruf.com

LANGUAGES & BUSINESS is the only event of its kind in Germany and is for all those with a professional interest in languages and intercultural training. Through the conference and accompanying exhibition, participants learn about a range of products and services for language learning and enhance their ability to choose between different learning options. The 7th Conference on Languages & International Business Communication focuses on the theme of "Language Proficiency in International Business".

Languages & The Media

7th International Conference & Exhibition on
Language Transfer in Audiovisual Media
October 29 – 31, 2008, Berlin, Germany
www.languages-media.com

Languages & The Media is a bi-annual conference dedicated to the subject of language transfer in a changing media landscape (video, DVD, digital TV and cinema), including the latest developments in dubbing, subtitling, voiceover and translation for the media. The highly international audience attending the conference has access to an accompanying exhibition featuring vendors of language technology products and providers of language services.

EXPOLINGUA
Berlin

21st International Fair for Languages and Cultures
21. Internationale Messe für Sprachen und Kulturen / 21st International Fair for Languages and Cultures

EXPOLINGUA Berlin

21st International Fair for
Languages and Cultures
November 14 – 16, 2008,
Berlin, Germany
www.expolingua.com

EXPOLINGUA Berlin is the only international fair for languages and cultures in Europe's German-speaking region and provides the most comprehensive market overview. Each year, more than 150 exhibitors from over 25 countries present products and services related to foreign language education at this multinational event. They include language schools, language travel agents, exchange organisations, embassies, cultural institutes, tourism offices, publishers and language learning software providers. The target group includes all those with a passion for language learning, such as secondary school and university students, teachers, tutors and professors, as well as translators, interpreters and language travel agents. The accompanying seminar programme is one of the event's principal attractions with experts on language and culture focusing on current trends.

EXPOLINGUA
PRAHA

EXPOLINGUA Praha

18th International Fair for Languages, Education and Cultures
November 7 – 8, 2008,
Prague, Czech Republic
www.expolingua.cz

EXPOLINGUA Praha is the Czech Republic's International Fair for Languages, Education and Cultures. It is the only international exhibition in the country to provide a broad overview of the opportunities for language learning and university study worldwide. Exhibitors from over 15 countries include language schools, colleges and universities, exchange organisations, publishers and cultural institutes. EXPOLINGUA Praha's diverse seminar programme provides further information on exchange programmes, internships and studying abroad, language tests etc.
