

## **ICWE GmbH – International Conferences, Workshops and Exhibitions**

We specialise in organising and staging events for all sectors of education, training and ICT. Our international conferences and exhibitions are the leaders in their field. Our events cater to organisations, institutions and individuals interested in acquiring or disseminating information, developing business and fostering international partnerships.

Our clients come from around the world and include educational institutions and organisations, professional associations, government agencies and international organisations, NGOs, large and medium-sized enterprises, print and multimedia publishers, as well as manufacturers and distributors of educational equipment, technology software and solutions.

In addition to our own conferences and events, we offer meeting, convention and exhibition management services to associations, institutions, government and international organisations and corporations in the business, education, science and research, ICT, government and culture sectors.
