

6th International Conference on
ICT for Development, Education and Training

Mlimani City Conference Centre
Dar es Salaam, Tanzania, May 25 – 27, 2011

The Key Networking Event for Developing eLearning Capacities in Africa

LJ Create, TSI and Promethean at eLearning Africa

You are cordially invited to the LJ Create
networking reception at eLearning Africa

This is your chance to meet with

Rt. Hon. Charles Clarke

former UK Secretary of State for Education
and Skills and former UK Home Secretary

Enjoy a drink and canapés at the LJ Create stand (D5) in
the exhibition hall - 16.00 to 16.45, Thursday May 26th

LJ Create, TSI and Promethean will be at eLearning Africa, visit their stand, D5 and see
how the **integrated resources** from LJ and Promethean create **interactive eLearning**
environments for science, engineering and technology.

They will be showcasing the Promethean ActivBoard and the ActivClassroom resources,
together with the **unique eLearning materials** from LJ Create. These include interactive
science lessons with **simulations**, real hands-on **experiments** and **student assessment**
using the Promethean ActivInspire education software.
